April 7<sup>th</sup>, 2020

Dear Parents:

On Tuesday, March 31, at the advice of the Chief Provincial Public Health Officer, Premier Brian Pallister and Education Minister Kelvin Goertzen announced that Manitoba has suspended classroom learning for Kindergarten to Grade 12 students indefinitely for this school year to help 'flatten the curve' and reduce the impact of COVID-19 throughout the province.

Teachers are busy preparing materials that **will be available to pick-up at the Goulter School gymnasium, on Monday, April 13<sup>th</sup> during regular school hours (9:00 a.m. to 3:30 p.m.)**. To practice good social-distancing measures, we remind families that they can collect their materials at any point during the school day. To limit the traffic within our school, please follow the instructions on our signs and send only 1 family member inside to collect materials. Use the front entrance when you arrive, **go directly to the gym to return completed packages and to collect your child's new learning packages**, and exit using the back door in the gym. As we move forward, Goulter School pick-up and drop-off of materials will occur every 2 weeks.

We want to thank our Goulter School families for their support and dedication to their child's learning during this unprecedented time. If you have not signed up for our Goulter School Remind, we encourage you to do so. Visit our school webpage for any updates <http://goulter.flbsd.mb.ca/>. Should you have any questions or concerns, please feel free to reach out by email [aschiltroth@flbsd.ca](mailto:aschiltroth@flbsd.ca) or by calling: 204-851-2528.

Sincerely,

Mrs. Schiltroth
