

## Student Roles and Expectations

In-class learning will start on September 8<sup>th</sup>, 2020. Everyone has a responsibility to make sure all students and staff are safe. We need to work together to learn about how we can do our part.

### ***Symptom Screening***

- All students with the help of their parents will self-screen **each day before school**. This means if you are not feeling well or have symptoms, please stay home.
- We can help you self-screen at the school if you start feeling unwell.
- There are tools to help you with screening.

### ***Students and Staff with Symptoms***

- If you become unwell or symptoms develop at school, we will take you to the Resource Room.
- You will be given a mask to wear.
- Your parents will pick you up and take you home to watch you.
- If a staff member becomes unwell, they will let Mr. Noseworthy know and go home to monitor their symptoms.

### ***Non-Medical Masks*** (choice K to 3, mandatory Gr. 4)

- Bring a mask to school every day.
- Wear your mask properly.
- Avoid touching your mask.
- Don and doff your mask properly.
- Wash and dry your mask every day.

### ***Hand Hygiene***

- Avoid touching your face, nose and eyes.
- Cover your cough with the inside of your elbow and use a tissue when you sneeze.
- Everyone needs to make sure they are washing their hands and using hand sanitizer.
- Wash your hands with soap and water for at least 15-20 seconds.
- Wash your hands/sanitize your hands often.
  - At the start of the day and before you go home.
  - After using the washroom.
  - Before and after eating.
  - After hands are dirty.

- After wiping nose or handling dirty tissues.
- After coughing, sneezing, or blowing nose.
- At home as needed.

### ***Physical Distancing***

- Please practice physical distancing in the classroom, hallway and playground.
- Keep two (2) meters apart as much as possible.
- Sit one (1) meter apart in the classroom.
- Keep your hands to yourself.
- Follow the model/instructions of your teachers and EA's.
- All students, staff, and visitors will practice physical distancing.

### ***Cohorts***

- You will be a part of a larger group called a cohort.
- Stay with your cohort in your part of the school and on your part of the playground.

- Only move around the school with your class or cohort.
- Some of your teachers will move between rooms instead of you.

### ***Shared/Common Spaces***

- Please do not bring any toys or equipment from home.
- Bring a water bottle from home and make sure it is filled.
- Take your shoes off and carry them to your classroom.
- Keep all your things in your cubby or locker.
- Use supplies like pencils and markers that are labelled for you. Do not share your supplies.
- Hand hygiene/washing and washrooms use will be supervised as much as possible.
- Field trips, assemblies and other large events will be planned when it is safe to do so.

### ***Recess/Breaks/Lunch***

- Equipment balls must be kept within class or cohort. It should be wiped after you use it.
- Stay with your class or cohort.
- Wash your hands.

- Students must eat their own lunches (no sharing of food/beverages).
- Lunch will be in the classroom.
- When it is safe to do so, we will start our microwave, milk, and hot lunch programs.

### ***Cleaning***

- Only touch items that your teacher or EA say you can touch.
- Do your part to keep your classroom and washrooms clean.
- Help sanitize iPads and computers with instruction from your teacher or EA.

### ***Teaching and Learning***

- Work hard to do your best every day.
- Some parts of your day will be different from last year. Some of your classes will seem different. Staff are working hard to teach you and keep you safe.
- Things could change quickly. In order to stay safe, students might only attend school a few days a week. Learning might be at home again. Be ready to learn differently.

### ***Other Information***

- There are many people who can help you during this time. Make sure to talk to them and ask for help if you need it.
  - Your parents, guardians, and families
  - Your teachers
  - Your principal
  - EA's and other staff members
  - School counsellor
- Public health:
  - There are people whose jobs it is to help everyone during this time. They will help the school if there are concerns and they will let us know if we need to change anything.

### **Remember:**

- ***Stay home if you are sick.***
- ***Practice good hand hygiene.***
- ***Practice physical distancing.***
- ***Stay with your cohort.***
- ***Listen to and watch your teachers for what they expect.***
- ***Do your part to keep your classroom neat and clean.***
- ***Be ready to learn differently.***
- ***Work hard and do your best.***
