

## Goulter School Parent Information 2021-2022

Schools to reopen on September 7, 2021 at Yellow (Caution) level of the Manitoba Pandemic Response System. This means that all Kindergarten to Grade 12 students will return to full-time in-class learning with contingency plans in place.

### ***Symptom Screening***

- Parents and caregivers are responsible for ensuring their children are not displaying symptoms before sending them to school or on the bus.
- School staff may support screening at school in cases when students did not self-screen at home.
- Screening information will be posted within the school.
- A screening tool is available at <https://sharedhealthmb.ca/covid19/screening-tool/>.

### ***Individuals with Symptoms***

- If symptoms develop at school, the student will be isolated and supervised.
- Parents will be notified to pick their child up immediately.
- If a staff member is symptomatic, they will immediately self-isolate from all staff and students, notify Mr. Noseworthy or designate, and go home to monitor symptoms.
- **Call Health Links at 1-888-315-9257 for advice on how to proceed.**

### ***Masks are required for all students, staff and visitors***

- Practice and model wearing a mask with your child.
- Send 2-3 masks with your child every day.
- Send 2 "ziplocs" labelled clean and dirty.
- Masks are to be laundered daily.
- Encourage proper donning and doffing of masks.

### ***Vaccine/testing requirements (Public Health)***

- All staff will adhere to vaccine/testing requirements and timelines.

### ***Hand Hygiene***

- Parents need to practice, encourage and promote the importance of proper hand hygiene.
  - wash hands frequently with soap and water for at least 20 seconds
    - Before and after school/work.
    - After using the washroom.
    - Before and after eating.
    - After hands are dirty.
    - After coughing, sneezing, or blowing nose, etc.

### ***Physical Distancing***

- Parents need to encourage and promote physical distancing whenever possible.
- This will apply to all areas of the school for staff and students.
- Parents need to avoid unnecessary visits to the school. Call ahead, complete self-screening and always report to the office to sign in and sign out.

### ***Cohorts***

- Parents will remind students that they need to stay within their cohorts (designated groupings).
- Parents will need to use assigned times and entrances/exits for their cohorts. Drop off is 8:45 a.m. and pick-up is approximately 3:30 p.m.

### ***Shared/Common Spaces***

- Water bottles may be filled at school.
- Ensure student items are clearly labelled and avoid sharing of items.
- Students will remove and carry their outdoor shoes with them to their classrooms.
- Field trips, assemblies and other large events will only be scheduled if public health measures can be met.
- Outside user groups (evening programs, etc.) are suspended at this time.

### ***Recess/Breaks/Lunch***

- When possible, students are encouraged to go home for lunch and return to the school at 12:55 p.m.
- Please refrain from sending toys and other equipment to school for recess.
- Students must eat their own lunches (no sharing).
- Lunch will be in the classroom.
- Use of microwaves, milk program, hot lunch, etc. will be implemented where appropriate.
- Handwashing/hand hygiene will be performed as required.
- Students will have assigned playground areas.

## Goulter School Parent Information 2021-2022

Schools to reopen on September 7, 2021 at Yellow (Caution) level of the Manitoba Pandemic Response System. This means that all Kindergarten to Grade 12 students will return to full-time in-class learning with contingency plans in place.

### **Cleaning**

- Commonly touched surfaces will be disinfected often.
- Hand hygiene will occur before and after handling toys and manipulatives.

### **Teaching and Learning**

- Focus on mental health, well-being and learning.
- Music classes may resume.
- School libraries may open.
- Classrooms will facilitate social distancing, frequent hand washing/hygiene, and staggered entries and dismissals as much as possible.
- Short-notice for the suspension of in-class learning in response to changing public health advice may occur. Please prepare a contingency plan for child's care/supervision.

### **Other Information**

- In the case of a confirmed case of COVID-19 connected to the school, **Public Health will lead the response and provide guidance.**
- Public Health may:
  - Request records that identify cohorts/groups of staff, students, volunteers and visitors.
  - Offer testing following established guidelines to staff, students, volunteers, and visitors that may have been exposed to a positive case.
  - Assess the need for the school to be closed for a period of time.
- Public Health will advise staff and students if they have been in close contact, if they need to self-isolate or self-monitor, and when they can return to school.

### **Screening Tool:**

<https://sharedhealthmb.ca/covid19/screening-tool/>

### **Parent Expectations:**

- Encourage and model public health guidelines.
- Avoid unnecessary visits to the school. Please call ahead.
- Screen for symptoms daily.
- Do not send your child to school if they are sick or if they are displaying symptoms of COVID-19.
- Be available to pick up your child if they become ill.
- Have a plan in place in case things change quickly.
- Stay in touch with your child's teacher and principal.
- Wash masks daily.
- Use assigned entrances and exits only. Please arrive at specified times.
