October 28, 2021

Dear Parents and Guardians,

TOYS, TRADING CARDS AND PERSONAL ELECTRONICS

We had noticed a significant increase in the number of toys, trading cards, and personal electronics coming to school with students. These items can be a lot of fun, but they can also be the cause of many issues including loss, theft, or confiscation if misused.

Moving forward, we ask that you refrain from sending toys, trading cards, and personal electronics such as tablets and phones to school with your child.

We thank you in advance for your cooperation.

Sincerely,

Mr. W. Noseworthy
